

# Grupo Elektra, S.A.B. de C.V.

BMV: ELEKTRA\*; LATIBEX: XEKT

Q1 2025

This Presentation refers to certain non-IFRS measures. These non-IFRS measures do not have a standardized meaning prescribed by IFRS and are therefore unlikely to be comparable to similar measures presented by other companies. These measures are provided as additional information to provide further understanding of Grupo Elektra, S.A.B de C.V.'s ("Grupo Elektra", "Elektra" or the "Company") results of operations from a management perspective. Accordingly, they should not be considered in isolation nor as a substitute for analysis of Grupo Elektra's financial information reported under IFRS.

The following information contains or may be deemed to contain, "forward-looking statements" (as defined by the U.S. Private Securities Litigation Reform Act of 1995). By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. The future results of the issuer may vary from the results expressed in, or implied by, the following forward-looking statements, possibly to a material degree. Grupo Elektra undertakes no obligation to update or revise any forward-looking statements.

Remmitances —— Remmitances as % of GDP

In Mexico, remittances remain strong despite economic cycles.

Total Remittances to México (US\$ B)

#### 8.0% CAGR between 2010 and 2024.

- Mexico GDP 2024: +1.5% vs. remittance transfers +2.3%.
- Moderate remittance growth through Q1 2025 (amount 1.2% and transactions 1.7%).
- The US-Mexico corridor is the largest globally.

#### In USA:

- The U.S. economy is currently navigating a complex landscape, marked by both signs of strength and emerging headwinds. Consumer spending remains robust, and the labor market is generally strong. However, inflation expectations exceeding the Federal Reserve's target and growing concerns over tariffs and their potential impact on growth are beginning to surface.
- Migrant crossings at the US-Mexico border remain at historically low levels four months into President Trump's second administration.
- Uncertainty among remittance senders arises from fluctuating immigration policies.
- Recent changes in immigration policy, particularly in states like Florida, emphasize stricter enforcement of laws targeting undocumented immigrants.

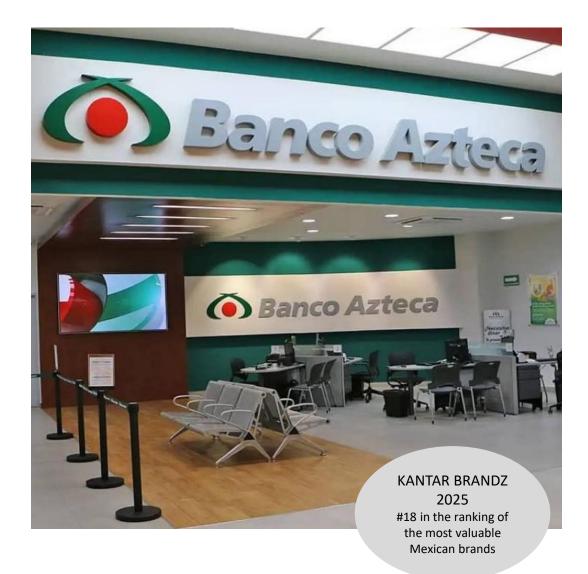

#### In Mexico:

- The primary sector (agriculture and livestock) grew by 8.1% QoQ and 6% YoY, helping to avert a recession in Q1 2025.
- In Q1 2025, total exports grew by 4% YoY, while total imports rose by 1.3%. Inflation for the first half of April 2025 was 3.96%.
- Unemployment stood at 2.2% in March, down slightly from 2.3% a year earlier. Informal employment accounted for 54.4% of the labor force — equivalent to 32.5 million people.

## **Financial business**

### Banco Azteca

- Since 2002, Banco Azteca is a pillar for financial inclusion, offering banking services to millions of families underserved by traditional banks.
- In Mexico:
  - Is the largest bank, by employees and personal loans portfolio.
  - **34.6 million deposit accounts** as of Q1 2025 (in a country with 35 million households).
  - The only financial institution with a presence in 177 municipalities.
  - Has 3,933 contact points (1,407 inside Elektra and SyR), and a network of 5,566 ATMs in agreement with other banks (2,663 its own).
- Workforce of ~25,700 employees in field who perform credit and collection duties. No other competitor has a comparable workforce just for this task.
- A solid deposit base with optimal funding costs, accounts without commissions, opening saving accounts with Ps. 1.

### **Financial business** Digital banking

- **25.9 million digital accounts.**
- Banco Azteca app is the largest digital bank in Mexico.
- □ In 2024, more than 7.2 billion transactions were made in the app:
  - 61% of Banco Azteca's financial transactions.
  - 4 out of 10 credit payments.
  - 5 out of 10 cash credits.
  - 8 out of 10 clarification requests are managed from the app.
- Our efforts in the coming months will be focused on:
  - Improve digital support for credit origination.
  - Promote payment on credit with a better user experience, in more businesses (formal and informal).

### La institución con mejor desempeño en atención a usuarios en este 2024

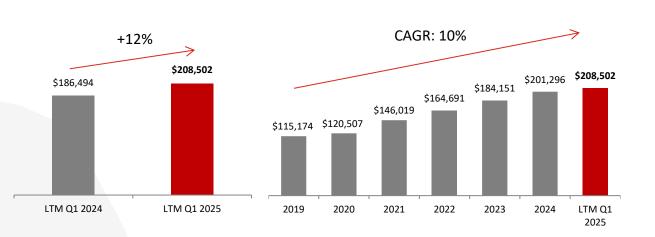

### Corporate sustainability strategy
